

# DEDICATION HEALTH

Innovative Concierge Medicine

# What is concierge medicine?

Concierge medicine is a modern and innovative solution for ensuring optimal well-being. At Dedication Health, we eliminate the frustrations and constraints of a traditional patient-doctor relationship.

Our premium services and expert physicians tailor your healthcare experience to deliver a comfortable and attentive partnership. Each Dedication Health patient has the opportunity to receive on-demand attention from our doctors and staff, inside or outside our offices.

# + Meet the physicians of Dedication Health

## **Santiago A. Candocia, MD, FACP**

Dr. Candocia holds a Bachelor of Arts degree in Biological Sciences from Northwestern University. Dr. Candocia studied at the University of Illinois College of Medicine and completed his residency in Internal Medicine at Northwestern University Medical School. # + Benefits and services

As a full-service concierge medical practice, we offer plans for individuals and families.

## Medication Reconciliation

Our Medication Reconciliation service is all about educating you and providing a safe and effective treatment experience. We aim to safely maximize the therapeutic effects of your drugs, reduce the chance of adverse reactions, and provide you with a complete understanding of your medication treatment plan.

## Radiology Services

Our Radiology Department provides American College of Radiology (ACR) accredited services that utilize the latest technology in X-Ray and CT, delivering to you and your doctor medical reports, diagnosis and analysis. We offer on-site radiology that fully supports your needs, inside and out. Dedication Health is accredited by the ACR and is committed to providing the safest and highest standards of care.

## Modern Office

When you visit Dedication Health at our practices in Winnetka and Wilmette, we want you to feel welcome and cared for. From the relaxing, private suites to our complimentary services, we offer you a comfortable, safe environment.

## On-site COLA Certified Lab

Included in your concierge medical membership is access to a convenient on-site laboratories at each location built to help your doctor assess overall health and check for potential medical issues. Bloodwork is performed by our staff with results shared with you and your doctor.

## Digital, Telemedicine Visits

Telemedicine keeps you connected to your physician and allows your physician to treat you safely and effectively from your home or office. Virtual appointments are a convenient care option offering you the flexibility to see your physician face-to-face or through a private, secure video call.

## Appointments

Our office staff is readily available to assist you with same-day appointments with your Dedication Health physician as well as schedule appointments with outside, referred specialists and diagnostic testing at affiliated hospital or medical centers.
