

DEDICATION HEALTH

Innovative Concierge Medicine

“I believe that it is vital to establish and preserve a trusting physician-patient relationship. Our concierge model enhances my ability to utilize both the art and science of medicine in the most personalized and complete fashion.”

- Richard D. Stern, MD

Richard D. Stern, MD

Dr. Richard D. Stern earned a bachelor’s degree from Washington University in St. Louis, Missouri and a degree in medicine from Wright State University.

He completed his residency in Internal Medicine at Evanston/Glenbrook Hospitals, where he served as the Chief Medical Resident.
