

DEDICATION HEALTH

Innovative Concierge Medicine

“At Dedication Health, I bring a unique approach to patient care. I prioritize the quality of care, ensuring timely access and comprehensive services tailored to each patient’s needs. Our friendly, upbeat, and attentive staff works to enhance patients’ experience and takes it to the next level. Our practice provides the type of clinical care that most reflects the quality of attention I would like to give and receive.”

– Jana Mechurova, MD

Jana Mechurova, MD

Dr. Jana Mechurova received her medical degree from Komenskeho University in Bratislava, Slovakia. She completed her residency in John H. Stroger Hospital in Chicago. She was an Assistant Program Director at Mt Sinai Hospital, teaching and supervising residents and providing primary care services to underserved patient populations.

She is board-certified by the American Board of Internal Medicine and currently serves as a concierge physician at Dedication Health. Dr. Mechurova is trilingual, fluent in English, Slovak, and Czech, and speaks basic Spanish.
