DEDICATION HEALTH: A Better Way to Experience Healthcare

PERSONALIZED, COMPREHENSIVE CONCIERGE MEDICINE.

For many patients, modern healthcare has become a maze of crowded practices, rushed appointments, long waits, and insurance-driven obstacles. For 10 years, Dedication Health has set the standard for concierge medicine on Chicago's North Shore, offering patient-focused care centered on access, prevention, and direct physician-patient relationships.

With intentionally limited patient panels, Dedication Health gives members more time, greater access, and care informed by a deeper understanding of their health history, risks, goals, lifestyle, and long-term needs.

As more patients seek this level of care, Dedication Health continues to grow from its foundation in Internal Medicine, expanding across Winnetka and Northfield with additional specialty expertise, including Cardiology and Gastroenterology, enhanced cardiac testing, on-site X-ray, and advanced CTA imaging.

Members receive individualized primary and preventive care, disease management, same- or next-day appointments, and 24/7 phone, text, and email access to their personal physician.

Dedication Health also offers best-in-class member benefits, including access to board-certified physicians with expertise across Internal Medicine, Cardiology, Geriatrics, Rheumatology, Women's Health, Critical Care, Pulmonary Medicine, and Gastroenterology, along with preventive screenings, medication management, an on-site lab, advanced equipment, and private suites.

Memberships remain limited, and select openings are available.

For membership information, please contact Practice Manager Christine at 847-986-6770.

Expanding Personalized Care Into Gastroenterology

Dedication Health's expansion into Gastroenterology marks an exciting next chapter, bringing advanced digestive health expertise into its concierge model of direct access and personalized care.

The practice welcomes Dr. Jonathan Williams and Dr. Yolandra Johnson, two highly respected gastroenterologists whose experience and patient-first philosophies reflect Dedication Health's standard.

Dr. Williams, board-certified in Gastroenterology and Internal Medicine, brings many years of experience and fellowship training in Gastroenterology, Hepatology, and Nutrition at Loyola University Medical Center. A Clinical Assistant Professor at the University of Chicago's Pritzker School of Medicine and multiple-time teaching award recipient, he combines deep clinical experience with a strong commitment to prompt care, patient education, and helping patients take an active role in their health.

Dr. Johnson, a board-certified gastroenterologist, has cared for patients on the North Shore in a private practice setting and brings decades of experience to Dedication Health. She completed her internal medicine training at Yale-New Haven Hospital and her gastroenterology fellowship at the University of Chicago. A Senior Clinician Educator at the University of Chicago's Pritzker School of Medicine, she is excited to offer concierge gastroenterology services rooted in timely, collaborative, and highly personalized care.

Now accepting new patients. For membership information, contact Practice Manager Christine at 847-986-6770.
